

# COVID-19 Response Survey

Faculty,

This short anonymous survey is designed to gauge your perceptions of the campus' response to COVID-19 and the transition to remote learning for the Spring 2020 semester. Please indicate how you think the response/transition was for each topic, and then provide a short comment as to why you feel that way. With your responses, recommendations can be made to the administration to ensure the success of students and faculty.

\* Required

1. Select the most appropriate definition of your teaching status. \*

*Mark only one oval.*

- Full Time Faculty
- Adjunct Faculty (Not Dual Credit)
- Adjunct Faculty (Dual Credit)
- Adjunct Faculty (Teaching both Dual Credit and Not Dual Credit)
- Other: \_\_\_\_\_

2. Please select what best reflects your opinion of the Crisis Response by the college during the transition. \*

*Mark only one oval.*

- The college did well on most things considering the circumstances.
- The college got some things right but missed the target on others.
- The college made several key missteps that should have been avoided.

3. Please provide your feedback on Crisis Response by the college during the transition. \*

4. Please rate your perception of the administration's communication to the faculty regarding campus access (what is open, what is closed, when can you come to campus). \*

*Mark only one oval.*

- The college did well on most things considering the circumstances.
- The college got some things right but missed the target on others.
- The college made several missteps that should have been avoided.

5. Please rate your perception of the administration's communication to faculty regarding campus safety (what measures are being taken, what should you expect when to go to campus). \*

*Mark only one oval.*

- The college did well on most things considering the circumstances.
- The college got some things right but missed the target on others.
- The college made several missteps that should have been avoided.

6. Please rate your perception of the administration's communication to the faculty regarding the resumption of classes and the re-opening of the college. \*

*Mark only one oval.*

- The college did well on most things considering the circumstances.
- The college got some things right but missed the target on others.
- The college made several missteps that should have been avoided.

7. Please rate your perception of the administration's ability to communicate to students regarding the transition to online learning. \*

*Mark only one oval.*

- The college did well on most things considering the circumstances.
- The college got some things right but missed the target on others.
- The college made several missteps that should have been avoided.

8. Please select what best reflects your opinion for website information. \*

*Mark only one oval.*

Easy to locate

Difficult to locate

9. Please provide your feedback on Campus Communication during the transition. \*
