@DrSRCrawford

## Session objectives

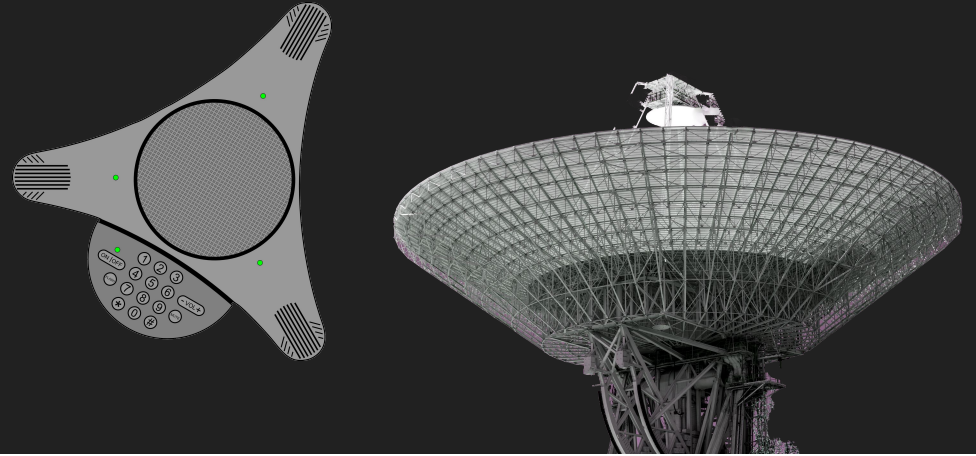

- Articulate a brief history of synchronous online learning
- Compare the benefits of synchronous online learning versus asynchronous online learning
- Discuss the challenges to implementing synchronous online learning

A brief history of synchronous online learning

The idea started with...

This helped...

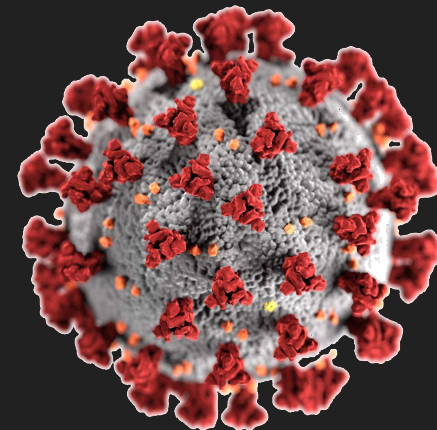

We tried this...

...and then most of us gave up

But then this made reconsider the possibilities...

Making the shift from ERT to SOL

Conversation prompts

What is next?

Synchronous Online Learning: What is old is new again
