

The image shows two women sitting at a wooden table outdoors, likely on a balcony or patio. The woman on the left is wearing glasses and a denim jacket. The woman on the right is wearing a white jacket. They are both smiling. On the table, there are plates of food, glasses of water, and a glass of lemonade. The background shows a metal railing and a paved area.

A Recipe for Student Success: Key Ingredients for Quality Online Learning

Why do we do what we do?

- Develop strategies for building rapport with students through clear multimodal interactions.
- Generate clear criteria for success so students can self-assess, track progress, and meet learning outcomes.
- Facilitate quality online discussion and descriptive feedback.

Wise Criticism

- Builds trust in teachers
- Increases motivation to incorporate feedback
- More likely to persist
- Decreases conduct issues
- Can change life trajectory!

I can see you took this assignment seriously.
(I know this is important to you.)

I'm giving you this feedback because I have high expectations.

I know you can do it.

Let's Discuss!

For Reflection

How are you doing with wise criticism and multi-modal feedback?

What is one takeaway you might apply this semester?
